WELCOME

NICOLE WALLACE

We are so proud of our Northwestern University Feature Twirler Nicole Wallace! She represented Northwestern on Evanston Day and had a great time meeting the community.

The first few months of classes at Revolutions Twirling Club are underway and we are excited to share some news with you! It's not too late to register for classes. Contact Anna for open class information, shoes, and any equipment that you may need for the new season!

MALLORY REMM

Join us in congratulating Mallory Remm! She competed in the dance portion of Rock The Burbs and won first place along with a scholarship. Rock The Burb connects music to charities and is currently partnered with the MACC Fund. Congratulations
