STUDIO SPOTLIGHT

This past month we have been posting "[Studio Spotlights](#)" on Instagram and Facebook that highlight our fellow dancers here at the studio! They were given the opportunity to submit a few photos and share their favorite memory while attending Revolutions Twirling Club. So

far the submissions have been amazing and it's great to see why so many continue their passion. If you have not had the chance yet to submit your child's very own Studio Spotlight please fill out [this Google Form](#). Please email/text your pictures to Mrs. Anna or Miss Aryn! Thank you so much! Your submission will be available on the RTC Instagram, Facebook and Website in the near future!

RTC ANNUAL RECITAL

We are excited to announce that we have a date and venue for our 15th Annual Dance/Twirl Recital! It will be located at **Waukesha North High School's Football Field on July 11th at 10:30 AM**. Parents and guests will be allowed to enter the stadium 30 minutes before show time. We will be practicing social distancing as the bleachers give us more room.

Ticket prices for family and friends are **\$15 each**. Purchases will be available online only through PayPal, Venmo or credit card over the phone (4% fee for credit transactions). There will also be a Zoom aired live during the recital for those who were not able to make it/have compromised immune systems. A **\$10 fee** for Zoom viewing will be implemented to help cover the cost of our venue. A form to submit your email for Zoom viewing is coming soon. Attached is a [Google Sheet](#) explaining where you will be able to pick up your child after the show on the football field.

Because of these unprecedented times it is very lucky and rewarding that are able to have a recital and makes this upcoming show all the more special and unforgettable. Hope to see you there!

More information on the recital about after show instructions, changing areas, COVID-19 rules, etc. is available on this [Google Doc](#).
